Sandringham Football Club 2027 Membership Terms and Conditions

General

- 2027 Memberships are valid until October 31, 2027.
- Sandringham Football Club recognises the importance of your privacy. All information collected will be handled in accordance with the National Privacy Legislation.
- By purchasing a Sandringham Football Club Membership you are opting in to receive email correspondence from the Sandringham Football Club, including the weekly Zeal the Deal e-newsletter, match day information and occasional sponsorship promotion.

Opt-Out/Unsubscribe

- You can opt-out at any time via the unsubscribe button in each email. Please note that this will remove you from the mailing list and you may miss out on important information relating to your membership. Alternatively, you can contact the Sandringham Football Club and ask to be removed from the mailing list. It may take some time to put an opt-out or an unsubscribe in effect so you may still receive communications from us for several weeks after your request is received.

Sharing Information With Third Parties

- We engage third parties to perform services in connection with the operation of our business. Examples of these services include payment processing and authorisation, fraud protection and credit risk reduction, order fulfilment and shipping, marketing and promotional material distribution, data analysis and, where applicable, data cleansing. We may need to share personal information with these third parties so that they can perform these services, however, we limit the personal information that we give to them and authorise them to use this information only for the purpose of performing those services.

Game Day Access

- All members (excluding Sandy Supporter and Pet Members) receive access to all VFL and VFLW home games. Members also receive access to VFLW away games where there is no entry fee.
- For VFL and VFLW matches, home games are defined as matches involving Sandringham Football Club played at Wilson Storage Trevor Barker Beach Oval during the regular home and away season. Should a home game be relocated to another location outside Wilson Storage Trevor Barker Beach Oval, such as Marvel Stadium, due to COVID impacts or at the club's discretion, this is no longer classed as a "Home" game and access does not automatically apply to members with home game entitlements. Sandringham Football Club will be in touch with members should home game entitlements be available for members to access.
- All members receive discounted entry to VFL away games, at the discretion of the away club. As at November 1 2026, this is $5. However, the pricing off admission into VFL and VFLW games is set by the AFL and is subject to change.
- To gain access to home games you will need to present your digital ticket or provide your name at the gate. Physical membership cards are commemorative only.
